

↓ Fertilization Programs (6 Applications each) – please check one option below

- "The Original" Fertilization & Weed Control Program Price Per App: \$ _____ .00
-or-
- "The Hybrid" Organic based Fertilizer WITH Non-Organic Weed Control Price Per App: \$ _____ .00
-or-
- "All Organic" based Fertilizer WITHOUT Broadleaf Weed Control Price Per App: \$ _____ .00

****Refer to the back of this contract for more details for each program above****

-- OPTIONAL APPLICATIONS --

↓ Please check any additional applications below ****SIGN UP FOR (3) OR MORE TO RECEIVE A 10% DISCOUNT****

- Spring "Green-up" Application** (One-time EARLY spring application) Price Per App: \$ _____ .00
This application is a fast release granular fertilizer that jump-starts your grass to green-up. This application will be applied shortly after the snow melts, but prior to Application #1 of your chosen program above.
- "Sub-surface" Insecticide Pre-Emergent** (MAY / EARLY JUNE) Price Per App: \$ _____ .00
This application helps control pests such as Japanese Beetles, White Grub Larvae, Emerald Ash Borer and many other unwanted pests that grow and feed in your soil. This application is applied as a liquid form (May/June), with Application #2, to all grass areas. Follow-up post-emergent insecticide applications are available upon request.
- "Surface" Insecticide** (MAY / EARLY JUNE) Price Per App: \$ _____ .00
This application helps control pests such as Sod Webworms, White Moths, Ticks and other insects that feed on the blades of grass. These kinds of pests hide in the thatch and debris above the soil making them difficult to locate. This application is applied as a liquid form (May/June), with Application #2, to all grass areas. Follow-up post-emergent insecticide applications are available upon request.
- "Gypsum" Application** (MAY / EARLY JUNE) Price Per App: \$ _____ .00
This application can help relieve summer stress that affects grassy areas. The use of Gypsum helps break up compacted soils and strengthen the root structure. The process of loosening up the soil will reduce water runoff. Also, Gypsum is a great "organic" fertilizer to help new seed establish. This application is applied as a granular form (May/June), with Application #2, to all turf areas.

-- LAWN IMPROVEMENT --

- Soil Sample** Price Per Test: **\$ 59.00**
A soil sample from your property is taken and submitted to lab. The results from the lab provide us with necessary information to properly manage your topsoil to produce a healthier lawn. Test results will include specific levels of nutrients and minerals in your soil, which will dictate what product is to be used and best, create the ideal growing conditions for our climate. This is a process that can take more than one application to receive desired results. Pricing of the proper application(s) to achieve these results will be presented to the customer once the soil test results come back from lab (about 1-3 weeks after lab submission)

↓ Please check any that apply below

- I want to SAVE 10% by pre-paying for the Six (6) Application Program I have chosen above. C N'R will send an invoice upon receiving this contract back (tax will be added). The 10% discount pre-payment SAVINGS does not apply to the "OPTIONAL APPLICATIONS" available above.
****Must sign up for all 6 applications to qualify for the pre-payment discount****
- I would like to receive an email 1-3 day(s) in advance of each application. ****Be sure to write in your email address below****

The terms are net **20 days**. A late payment fee of 21% APR will be assessed after 20 days. Finance charges will then be assessed for each 30-day period that a full payment of an invoice has not been received. Upon selling of the home/property, this contract can be terminated on the date of "closing" on the home/property. Fuel surcharges of 2.0% of the total invoice will be assessed each month that fuel prices go above \$2.50 per gallon, with an additional 0.5% for each \$0.25 thereafter. By signing this contract, I agree to; personally guarantee payment; understand the charges of all checked off services that I require; and I have read the corresponding specifications sheet printed on the reverse side of this contract.
