**Weekly Mow/Trim/Blow:** All grassy areas are mowed and trimmed; all driveways, sidewalks, patios and curbsides are blown clear of debris. This weekly price typically begins towards the end of April and lasts through the month of October. C N'R will not be responsible for normal wear marks from grass trimmers on tree trunks/roots, fence posts, and mailbox posts that are not properly protected. This includes shrubs/perennials/annuals that are not surrounded by landscape. If the grass is growing at a pace that is not manageable within a week's time, double cutting on the same visit may be necessary. Extra charges will be assessed accordingly for these situations equal to no more than half the "weekly mow price". This is sometimes necessary to accomplish high quality results and customer complete satisfaction. *Please refer to #2 on the "Summer Lawn Maintenance Specifications" located on the back of this contract.*

Depending on the weather, C N'R will return for a "second round" clean up to properties with late fallen leaves. This "second-round" clean up will not exceed one half the original "fall clean up price". Please note C N'R cannot guarantee this service when an early snowfall occurs and shuts down operations.
